

Quarterly Newsletter – May 2022

Greetings, we continue to welcome our many new home/lot owners. Riverbend is a wonderful place to live. We have done quite a bit of road maintenance this year! We have brought in over 100 loads of gravel since the beginning of the year and the roads are in better shape than ever with the scheduled, routine road maintenance that is now in place. The drainage issue at the beach has been repaired so we were able to add fresh new sand to the beach.

Spring has sprung and grass cutting for the season has begun. The front entrance gate got its Spring cleanup with new planting and fresh mulch and looks great. We are always looking for volunteers for weekly our maintenance. Please email the Board if interested.

The gatehouse has gate cards and clickers available for sale for anyone needing them.

The Spring POA potluck is May 21 at the pavilion starting at 5:30pm. Come out and meet your neighbors! The POA will provide hamburgers and grilled chicken. Bring whatever food item you would like. There will also be a Poker Run to benefit the Heart of the Foothills Animal Rescue on May 21st. The entry fee is \$10.00, and you can sign up and start at the pavilion starting at 4 pm.

The Board Meeting Minutes are attached for viewing as well as our recent financial snapshot.

Thank you, Riverbend POA Board
